At Workplace Pensions Direct, we believe in providing ongoing expert guidance to all our employers and their staff. That is why we have a dedicated support team at our offices in Leeds run by pension experts who have decades of experience to help you.

Our features include:

- We will help you and your staff with the new options available including opting in, opting out and understanding their new pension arrangements.
- We will help you and your staff understand what their new Auto Enrolment pension means to them.
- We will help you and your staff understand their pension options and products available on their Normal Retirement Date.
- We have teamed up with one of the leading financial advisers in the UK who can provide a complimentary telephone consultation if you or your staff want financial advice on what to do*
- We will help regarding existing pension arrangements and give guidance on options in respect of current pension pots.

Give us a call on 0113 457 4574 or e-mail support@wpd.email

*If your employer was referred to us by an existing financial adviser as part of our introducer network, we will refer you back to them.
